Dear Mr Soong,

The Jockey Club Home for Hospice, No. 18 A Kung Kok Shan Road, Shatin

I wish to record our sincere gratitude to your Company for undertaking the construction of the Jockey Club Home for Hospice (JCHH) and your tremendous efforts in completing the project within the time frame stipulated in the Lands Grant issued by the Hong Kong SAR Government.

JCHH represents another critical milestone of the Society for the Promotion of Hospice Care. With its successful completion, we are well positioned to turn a new page in the provision of hospice and palliative care service for patients with life-limiting illnesses in Hong Kong by offering them quality home care, day care and inpatient service, and empowering caregivers to walk with their family members in their last stage of life with dignity and reduced suffering.

This project has certain design features highlighting the spirit and purposes of the building. I am very pleased to see that the features are properly put in place and executed.
